Applicant	Category	Project Description	Award
Clay County 911	CAD	A project to upgrade an obsolete, end-of-life CAD (Computer Aided Dispatching) and enhance mapping capabilities.	\$108,938.97
Carter County 911	GIS Related	A project to improve mapping data.	\$50,220.00
Gallatin County PSCC	Radio Console	A project to deploy a new IP (internet protocol) based radio console.	\$40,611.50
Shelby County E911	GIS Related	A project to improve local mapping data.	\$2,000.00
Adair County Fiscal Court	Communications System	A project to replace outdated communications	\$43,909.00
Greenup County Fiscal Court	911 Support Equipment or Services	systems. A project to replace an end-of-life UPS (Uninterrupted Power Supply).	\$44,640.00
Jackson County E-911	CAD	A project to transition to a modern, commercial CAD (Computer Aided Dispatching) system.	\$104,087.30
Lexington-Fayette Urban County Governme	n Radio Console	A project to upgrade two dispatch positions into radio-capable positions.	\$37,113.12
Pulaski County 911 Communication Center	CAD	A project to deploy a new CAD (Computer Aided Dispatching) system.	\$189,326.70
Livingston County Fiscal Court	Communications Logging Recorder	A project to replace an obsolete recording system.	\$16,948.80
McLean County 911 Dispatch	CAD	A project to replace an outdated CAD (Computer Aided Dispatching) system.	\$91,130.00
Owensboro-Daviess County Central Dispato		A project to replace outdated center furniture and equipment.	\$113,907.25
Lebanon Marion County E911	Hardware/Software Refresh	A project to refresh call-handling software and hardware.	\$14,263.30
Bullitt County Sheriff's Office E-911 Dispatc		A project to improve local mapping data.	\$29,980.00
City of Morehead	Remote Host	A project to transition and establish a remote host connection.	\$142,702.85
Trigg County 911	Radio Console	A project to upgrade and replace radio communications equipment and systems.	\$66,926.52
City of Bowling Green	911 Support Equipment or Services	A project to replace an obsolete UPS (Uninterrupted Power Supply).	\$103,106.71
City of Bowling Green	911 Support Equipment or Services	A project to replace outdated center furniture and equipment.	\$112,336.25
Cynthiana-Harrison Co E911	EMD Related	A project to deploy an EMD (Emergency Medical Dispatching) component for the center CAD	\$50,463.00
Lexington-Fayette Urban County Governme	n EMD Related	(Computer Aided Dispatching) system. A project to obtain licenses and services for an emergency medical dispatch (EMD) training environment.	\$17,910.00
Fulton County Fiscal Court	CAD	A project to deploy a new CAD (Computer Aided Dispatching) system and enhance mapping capabilities.	\$83,515.00
Menifee County Fiscal Court	CAD	A project to upgrade an outdated CAD (Computer Aided Dispatching) System.	\$37,971.82
Knox County Fiscal Court	GIS Related	A project to improve local mapping data.	\$24,980.00
RPSCC/Boyd County 911	Communications Logging Recorder	A project to replace outdated communications logging equipment.	\$43,388.73
Nelson County E-911 Dispatch Board of Dire Radio Console		A project to replace obsolete radio consoles.	\$156,950.00
City of Carlisle	Communications Logging Recorder	A project to enhance communication logging capabilities.	\$20,811.90
City of Carrollton	GIS Related	A project to improve local mapping data.	\$122,380.00
City of Versailles	911 Texting	A project to deploy text-to-911 services.	\$9,164.45
Frankfort/Franklin County E911	EMD Related	A project to deploy an EMD (Emergency Medical Dispatching) component for the center CAD (Computer Aided Dispatching) system.	\$46,762.50
Cumberland County Fiscal Court	Communications Logging Recorder	A project to deploy a text-capable communication logging system.	\$17,682.00
Marshall County 911	Master Clock/Net Clock/Time Sync System		\$9,252.00
Marshall County 911	CAD	A project to deploy a new CAD (Computer Aided Dispatching) system.	\$97,200.00
Bracken County Fiscal Court	Radio Console	A project to replace a one position radio console to an updated two position radio console.	\$47,295.00
City of Paintsville	GIS Related	A project to improve local mapping data.	\$28,134.00
Washington County Fiscal Court	911 Support Equipment or Services	A project to replace an end-of-life CAD (Computer Aided Dispatching) server.	\$17,187.00
LaRue County E-911	CAD	A project to upgrade an outdated CAD (Computer Aided Dispatching) System.	\$94,522.50
Edmonson County Fiscal Court	Hardware/Software Refresh	A project to refresh call-handling software and hardware.	\$10,848.11
Breckinridge County 911 Dispatch Center	GIS Related	A project to improve local mapping data.	\$28,134.00
Harrodsburg Police Dept Communications	Radio Console	A project to upgrade outdated radio consoles.	\$48,657.65
Livingston County Fiscal Court	CAD	A project to replace an obsolete computer aided dispatch (CAD) system.	\$93,750.60
Powell County Fiscal Court	GIS Related	A project to improve local mapping data.	\$16,000.00

Lewis County Fiscal Court 911 Support Equipment or Services A project to purchase and deploy emergency back- up radio equipment inside the center. A project to deploy an NCIC (National Crime \$10,293.75 Information Center) CAD (Computer Aided Dispatching) system component. PERRY COUNTY E911 GIS Related A project to improve local mapping data. \$28,736.55 Leslie County Fiscal Court - Leslie County 91 GIS Related A project to purchase new equipment and services for mapping data collection. RPSCC/Boyd County 911 911 Support Equipment or Services A project to deploy an NCIC (National Crime \$10,293.75 A project to improve local mapping data. \$28,736.55 A project to purchase new equipment and services \$13,036.61 for mapping data collection. A project to deploy an CAD (Computer Aided \$2,250.00 Dispatch) to logging recorder interface. Menifee County Fiscal Court Communications Logging Recorder A project to upgrade outdated communications \$13,388.31 logging equipment. Carlisle County Fiscal Court 911 Support Equipment or Services A project to upgrade outdated communications \$13,388.31 logging equipment. A project to upgrade outdated console \$20,967.81 Dispatching) system software and support equipment. Hancock County Fiscal Court Radio Console A project to upgrade outdated console positions. \$101,039.50 Marshall County 911 EMD Related A project to replace an end-of-life EMD (Emergency \$26,931.63	City of Maysville	911 Support Equipment or Services	A project to replace outdated center furniture and	\$39,042.90
Lewis County Fiscal Court 911 Support Equipment or Services A project to purchase and deploy emergency back- up radio equipment inside the center.
